Dynasty Gold Closes Non-Brokered Financing

VANCOUVER, British Columbia, December 5, 2025 -- Dynasty Gold Corp. (TSX.V: DYG) (FSE: D5G1) (OTC: DGDCF) ("Dynasty" or the "Company") is pleased to announce that, subject to Exchange approval, it intends to close a non-brokered private placement for total gross proceeds of \$751,800, combining both non-flow-through and flow-through units. The company builds on its existing cash reserve of over \$3 million and is now fully funded for its current drill program and the 2026 exploration program.

The company received subscriptions for 1,255,555 units of non-flow-through common shares for proceeds of \$226,000. Each unit of non-flow-through shares consists of one common share at \$0.18 and one-half common share purchase warrant. Each whole warrant entitles the holder to purchase one common share at \$0.30 for twenty-four months from closing. The Company has the right to call the warrant for expiry upon giving 20 days' notice if the common share trades at or above \$0.43 on the TSX-V for 7 consecutive days. Finder's fees of \$15,820 and broker's warrants of 87,888 are payable to registered dealers. The broker's warrants have the same terms as the common share warrants. The net proceeds received from the non-flow-through offering will be used for working capital.

The flow-through financing consists of 2,390,000 units for proceeds of \$525,800. Each flow-through unit consists of one flow-through share at \$0.22 and one-half common share purchase warrant. Each whole warrant entitles the holder to purchase one non-flow-through common share at \$0.33 for twenty-four months from closing. The Company has the right to call the warrant for expiry upon 20 days' notice if the common share trades at or above \$0.43 on the TSX-V for 7 consecutive days. Finder's fees of \$30,360 and 138,000 non-flow-through common share warrants are payable to Roche Securities Limited. Each warrant entitles the holder to purchase one common share at \$0.22 for twenty-four months from closing. Other terms of the common share warrants apply.

The gross proceeds from the Flow-Through Offering will be used to incur "Canadian exploration expenses" that are "flow-through mining expenditures", as defined in subsection 66(15) of the Income Tax Act (Canada), to advance the Corporation's Thundercloud gold project in Ontario.
